Dear Member:

On Monday, January 24, 2011, Grupo Triple-S reached an agreement to acquire Socios Mayores en Salud Holdings, Inc., the holding company of American Health Inc., also known as American Health Medicare. By joining Triple-S Group we will add to our excellent history of service and products the strength of an organization that has been serving Puerto Rico for over 50 years.

American Health Medicare will continue to operate independently from Triple- S. As an American Health Medicare member, you can rest assured that this transaction will not affect your current health and benefits plan in any way. **You do not have to make any changes.** American Health Medicare will continue to offer the same benefits and coverage you currently have. Our company will continue operating as usual. There will be no changes in cards, Medical Management Programs, or in the provider network to which you entrust your health care. Our regional offices will continue to be conveniently located in the same places and our staff will continue offering the quality services you deserve.

Once again we reiterate our commitment to continue addressing the needs of the elderly population in the design of our programs and benefits. We will continue working and strengthening our network of physicians and service providers to keep taking care of your health.

If you have any doubts or questions, please contact our Customer Service Department at American Health Medicare, as usual, at 1-888-620-1919, Monday to Friday from 8:00am to 8:00 pm. TTY users should contact 1-866-620-2520.

At American Health Medicare we thank you for your support and trust in us.

Sincerely,
